# Travel grants for change-makers

**PASSIONATE** about making a difference in your community or profession?

**INSPIRED** by new ideas and projects from overseas?

**APPLY NOW** for a Churchill Fellowship. It's open for everyone.

“One of the best experiences of my life.”

**A Churchill Fellowship is a life-changing opportunity** to expand your professional and personal horizons.

We will fund you to spend 4-8 weeks anywhere in the world, exploring a practical topic that you care about. Then we will help you to make change happen in your community or profession when you come home.

It's open to all UK citizens aged 18 or over, regardless of your qualifications, age or background.

**Grants in science, technology and engineering**

- Applications welcome from across this field.
- Particularly relating to the communication of science and technology, the fusion of arts and science, or interest and participation in science by the public (including use of the internet to hold dialogues).

**OUR GRANT CATEGORIES:**

Arts for the built environment, Education, Emergency response, Enterprise & social impact, Environment/conservation/sustainable living, Healthcare, Palliative/end of life care, Physical activity for healthier lives, Rural living, Science/technology/engineering, Suicide prevention, Open category.
