

Covid-19 Action Fund – Round Two

APPLICATION FORM QUESTIONS

Below are the main questions you will be asked on the application form about your proposal for funding.

About your project

How are you currently delivering your Covid-19 response project?

- As an individual or sole trader
- As part of an organisation

Project summary: Please tell us what you are seeking funding for and why you think your proposal has the potential to create long-term solutions for social and economic recovery, reconstruction or future prevention? (Limit: 400 characters)

- 1. Please describe the specific activities that our funding will support.** (Limit: 800 characters)
- 2. Who are the communities most impacted by the issue you are tackling, and can you provide evidence that demand for this work exists?** (Limit: 800 characters)
- 3. Do you have lived experience of the issue/s you are addressing? If not, how is your work informed by, reaching, and benefitting those directly impacted by this issue?** (Limit: 800 characters)
- 4. What are the three key things you would like to achieve using this funding over the next 12 months?** (Limit: 600 characters)
- 5. At the end of the grant period, how do you foresee this work leading to radical improvement in our public services, addressing structural inequality in the UK, or rethinking and reimagining our society after the pandemic?** (Limit: 800 characters)

Conclusion: How does this project relate to your Fellowship? If it doesn't, could you summarise why you think it is a close match to the Action Fund's selection criteria? (Limit: 600 characters)

Funding request

Please outline your budget for this work. Please indicate explicitly what you would like to use the funding for and how much you will need for each item.

For example, a description might be 'Living costs - stipend' with the amount as '2000', or perhaps 'Project costs – to implement a black history curriculum' with the amount as '2000'. We will not require any more information than this at this stage. You have up to three budget lines to complete, although you may need less.

	Description	Amount (£)
